## HAKKIMIZDA

2005 yılında 4000 m2 kapalı alan, 37.000m2 açık alanda çini sektörünün ara mamül ihtiyacını karşılamak amacı ile kurulan firmamız, ilk olarak masse üretimi ile işe başlamıştır.

2008 yılında yapılan doğalgaz yatırımının ardından, yüksek genleşmeli çini fritleri, 2012 yılında yapılan yeni frit yatırımları ile de sofraya yönelik seramik ve cam fritleri üretimini yapmaktayken kısa zamanda çini ve seramik mutfak eşyaları sektörünün ihtiyaçlarını karşılayabilen öncü bir firma haline gelmiştir.
